NUTRADRY AUSTRALIAN 100% MANGO POWDER

Mangoes are a low GI fruit and a great source of **Vitamin C**, beneficial in protecting the body from infection. They are also rich in **Beta-Carotene, Fibre** and **Potassium**. **Beta-Carotene** helps protect the body against disease and assist with the growth and repair of cells, tissues and skin.

Nutradry's **Australian 100% Mango Powder** is made from **100% Kensington Pride Mangoes** that have been dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Mango** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **Australian 100% Mango Powder** is made from **100% fruit** and does not contain any fillers or bulking agents.
