

## Nutradry Australian High-Beta Carotene Carrot Powder

*Up to **20 times** the original **nutrients** are concentrated and retained in **Nutradry's Vegetable Powders.***

### NUTRADRY AUSTRALIAN HIGH-BETA CAROTENE CARROT POWDER

**Carrots** are one of the best vegetable sources of beta-carotene which the body metabolises as Vitamin A, essential for healthy eyes. The combination of Vitamin A and C also assists natural resistance to germs and infections.

Nutradry's **Australian High Beta-Carotene Carrot Powder** is made from **Australian Carrot** juice which has been dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Carrot** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **Australian High Beta-Carotene Carrot Powder** does not contain any fillers or bulking agents.
