

# Nutradry Australian 100% Kale Powder

*Up to 20 times the original nutrients are concentrated and retained in Nutradry's Vegetable Powders.*

## **NUTRADRY AUSTRALIAN 100% KALE POWDER**

**Kale** is packed with nutrition that puts it high on the list of the world's healthiest foods. Kale is a leafy green cruciferous vegetable that is chock-full of essential vitamins A, C and K as well as minerals like copper, potassium, iron, manganese and phosphorus. The possible health benefits of consuming kale include improving blood glucose control in diabetics, lowering the risk of cancer, lowering blood pressure, improving bone health, lowering the risk of developing asthma and more.

Nutradry's **Australian 100% Kale Powder** is made from whole Australian Kale which is pureed and then dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Kale** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **Australian 100% Kale Powder** does not contain any fillers or bulking agents.
