

Nutradry Australian 100% Sweet Potato Powder

Up to 20 times the original nutrients are concentrated and retained in Nutradry's Vegetable Powders.

NUTRADRY AUSTRALIAN 100% SWEET POTATO POWDER

Sweet potatoes are an excellent source of vitamin A (in the form of beta-carotene). They are also a very good source of vitamin C, manganese, copper, pantothenic acid, and vitamin B6. Additionally, they are a good source of potassium, dietary fiber, niacin, vitamin B1, vitamin B2, and phosphorus.

Nutradry's **Australian 100% Sweet Potato Powder** is made from whole Australian Sweet Potato which are pureed and then dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Sweet Potato** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **Australian 100% Sweet Potato Powder** does not contain any fillers or bulking agents.
