

Nutradry 100% Green Kiwi Powder

Nutradry's Fruit Powders are made from 100% fruit, sourced from the highest quality raw ingredients available.

NUTRADRY 100% GREEN KIWI POWDER

The **Kiwi** is a powerful vine fruit, by consuming only one you meet your daily **Vitamin C** requirements. As the body cannot produce its own supply of **Vitamin C**, it makes the natural consumption of this essential vitamin highly important. **Vitamin C** has a major role in the production of collagen in the body, the formation of good teeth and healthy eyes. **Kiwi Fruit** is also rich in fibre and a great source of **Vitamin E** and **Potassium**.

Nutradry's **100% Green Kiwi Fruit Powder** is made from **Green Kiwi Fruit** puree that has been dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Green Kiwi Fruit** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **100% Green Kiwi Fruit Powder** is not an extract and does not contain any fillers or bulking agents.
