NUTRADRY LEMON JUICE POWDER

Lemons are one of the best fruit sources of the mineral **Sodium**, beneficial for elimination of waste, cleaning of the lymphatic system and healthy digestive system. **Lemons** are also an excellent source of **Phosphorous**, required for a healthy functioning nervous system.

Nutradry's **Lemon Juice Powder** is made from **Lemon** juice that has been dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Lemon** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

Nutradry's **Lemon Juice Powder** is dried on a Tapioca Maltodextrin base.
