NUTRADRY 100% STRAWBERRY POWDER

Strawberries are an excellent source of **Vitamin C**, a powerful natural antioxidant. **Vitamin C** also aids the body to resist infection and form collagen. **Strawberries** also contain Vitamins which have the ability to neutralise bad bacteria and boost immunity.

Nutradry's **100% Strawberry Powder** is made from **Strawberry** puree which has been dried using Nutradry's innovative low temperature drying process. The gentle nature of Nutradry's technology ensures the nutrients, flavour volatiles and colour of the **Strawberry** are not damaged during processing. The powder is milled to customer requirements and packaged to ensure the product remains free-flow and the nutrients are protected from degradation.

NutraDry's **100% Strawberry Powder** does not contain any fillers or bulking agents.
